

Miriam Adelson has proposed adding a "Book of Trump" to the Bible. If a new Bible was produced with such a book added, how popular would it be?

Trump was a good president, and my favorite for he was for Israel as a nation and against abortion but he wasn't a Apostle or Old Testament prophet which were the foundation of the church.

"having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone," Eph 2:20 (NKJV)

And such work would be blasphemy for we are told not to add to God's word.

"Whatever I command you, be careful to observe it; you shall not add to it nor take away from it." Deu 12:32 (NKJV)

"Do not add to His words, Lest He rebuke you, and you be found a liar." Prov 30:6 (NKJV)

Rev 22 (NKJV)

¹⁸ For I testify to everyone who hears the words of the prophecy of this book: If anyone adds to these things, God will add to him the plagues that are written in this book;¹⁹ and if anyone takes away from the words of the book of this prophecy, God shall take away his part from the Book of Life, from the holy city, and from the things which are written in this book.

Now with that said if I would see such a Bible I would not Buy it or recommend it . And if I ever will find one I will rip the book of trump out of that Bible and burn that book and pray to God to save or strike this Miriam. For She must not be saved or she is planning to make a other cult which we have many. And like all false religions it will be popular but what does it matter if Miriam will lose her soul in the process and go to hell if she does such a blasphemous thing like that.
